DOLLARS FOR A's Flyers

Just a reminder to bring report cards in to receive report card credit. It needs to be done before the next report card comes out. We give \$1.00 per A up to six (6) A's as long as it is matched by someone. This will encourage good grades and teach your children the importance of saving.

The credit union sent flyers to most of the schools in Fayette County to be handed out to the students. This has been a success in informing parents and/or guardians about our credit union and the Dollar for A's program.

For more information, please feel free to contact us at 724-438-9019.

With all the debit card fraud, the credit union is taking every measure to protect you. Please call the credit union today to ensure that we have the most up-to-date contact information on file for you.
